

CONSENT SHEET

GRECO

Fostering a Next Generation of European Photovoltaic Society through Open Science (GRECO). European Commission Project 787289

Please read this information carefully. After you have been informed about the study, and if you agree to participate, you will be asked to sign this Consent Form.

DESCRIPTION OF THE PROJECT:

The GRECO project aims to implement an Open Science pilot scheme which could be easily applied to other Research and Development (R&D) projects via an ambitious research project on photovoltaic solar (PV) energy. GRECO aims to enhance the integration of photovoltaic energy by

extending the useful lifetime of energy systems, making technology more affordable, showing highly competitive applications and increasing societal knowledge and engagement about the relevance of PV energy in a more sustainable world.

DESCRIPTION OF PARTICIPATION

Please read the “Call for Participation – Regulatory Basis” document. There you will find a detailed description.
